**RE: Programming Advisory**

Dear Ms. McCallum:

As part of our ongoing commitment to keep you and our customers informed about changes to Xfinity TV services, we wanted to update you that Comcast's right to continue carrying ShopHQ expired on November 2, 2023.

We always work to reach deals that make sense for our customers. To date, however, Comcast has been unable to reach an agreement to continue to carry ShopHQ content.

Since we are not currently authorized to carry ShopHQ programming, we have implemented a channel slate (advising of unavailability) on the channel and activated [www.xfinity.com/programmingchanges](http://www.xfinity.com/programmingchanges) to help keep our customers informed during this period. We will continue to provide updates to you and our customers as they become available.

Also, pursuant to P.A. 480 of 2006, Section 9 (4), Comcast Cable's local operating entity hereby reports that Comcast does not deny access to services to any group of potential residential subscribers because of the race or income of the residents in the local area. A similar report has been filed with the Michigan Public Service Commission.

Please feel free to contact me at 517-930-5299, if you have any questions.

Sincerely,

Brian Sapita
