

## **Section 14.6 Changes to Approved Site Plan**

**A. Site Plan Changes:** No changes shall be made to an approved site plan prior to, during, or after construction except according to the following procedures:

1. **Major Changes:** Major changes to an approved site plan shall be reviewed and acted upon according to Section 14.3. A "major change" shall include the following:
  - a. A change in excess of five (5) feet in the location of vehicular circulation ways, parking areas, or exterior building walls.
  - b. A change in the number of accesses to a street or alley or any other change impacting the basic circulation pattern and/or traffic flow.
  - c. A reduction or increase of more than four (4) parking spaces or one-hundred (100) square feet of floor area.
  - d. An increase in the number of dwelling units, or the realignment of lot lines in a platted or condominium subdivision where such realignment exceeds five (5) feet at any single point.
  - e. An increase of more than three (3) feet in building height.
  - f. The addition of a building.
  - g. The relocation of outdoor storage areas or other outdoor use areas.
  - h. The re-occupancy of a vacant building.
2. **Minor Changes:** Minor changes shall be subject to Zoning Administrator approval. Approved changes shall be clearly specified in writing and signed by the Zoning Administrator. The Zoning Administrator shall keep accurate records of approved changes. The Zoning Administrator may defer action on a minor change to the Township Board, which may act on such change without differing the matter to the Planning Commission for a recommendation.
  - a. Minor changes to an approved site plan shall include changes not otherwise identified as a major change in (A)(1) above including changes to required landscaping and screening where the change will not alter the overall appearance and effectiveness of the required landscaping and screening, and changes to the location, elevation or slope of storm sewer, sanitary sewer, or other utilities where the Township Engineer has approved such changes.
