

Section 2.1 Purpose

It is the purpose of this Article to provide for the administration and enforcement of this Ordinance, including the creation of a review and permit process. The primary permit process shall require the issuance of a zoning permit which shall indicate that the uses and plans for which the permit is requested comply with this Ordinance. Upon the issuance of a zoning permit, the applicant may establish the use for which the permit has been issued, including the erection of a building or structure, provided a building permit has been obtained from the Building Inspector demonstrating conformance to the requirements of the Building Code.
