

Section 2.7 The Rule of Non-estoppel; Nonwaiver

If any provision of this Ordinance is not enforced against a particular lot, parcel, or property or throughout the Township in general, that shall not be deemed to be a waiver (or constitute laches) regarding the ability of the Township to enforce that provision (or any other provision) of this Ordinance against a particular lot, parcel, or property involved or throughout the Township in general. Furthermore, should any Township official, body, board, or commission render any zoning approval or opinion, or undertake (or not undertake) any other action pursuant to this Ordinance, and it is determined that any such opinion, interpretation, approval, action or inaction was done in error or in an *ultra vires* or other mistaken fashion, that shall not preclude the Township from reversing, revoking, or revising any such zoning approval, interpretation, opinion, action, or inaction which was done in error and to thereafter enforce the provision or provisions of this Ordinance involved. The Michigan common law "rule of municipal non-estoppel" shall benefit the Township, as well as its officials, officers, bodies and commissions.
