

Section 2.9 Site Inspections

A. Inspections Authorized: The Zoning Administrator shall have the authority to make inspections of premises, upon request at reasonable times, for the purposes of verifying information on an application, monitoring conformance with the regulations and standards of this Ordinance, and for any other purpose associated with responsibilities of the Zoning Administrator granted by this Ordinance. No person shall interfere with the Zoning Administrator in the discharge of his/her duties. The Zoning Administrator may seek an administrative search warrant in the event a property owner refuses access to a property in order to make an inspection.

1. Rejection of an Application: If an applicant refuses access to the Zoning Administrator to property that is the subject of a current application, the Zoning Administrator may return the application as incomplete and rejected.

B. Required Inspections:

1. Zoning Administrator / Building Foundation Staking: No construction shall be continued beyond the staking of proposed foundation walls until the Zoning Administrator has approved in writing such staking, upon finding that the staked foundation walls are in compliance with the approved plot plan or site plan and this Ordinance.
2. Building Inspector / Construction Code: No construction shall be continued beyond any point where, prior to such construction, a site inspection is required by the Building Inspector according to the Michigan Construction Code including inspections required after footings and foundation forms are in place prior to the pouring of concrete and inspections required prior to the covering of structural members.
