Re: Important Information—Price Changes

Dear Ms. McCallum:

At Comcast, we are committed to delivering the products and services that matter most to our customers in Lake, as well as exciting experiences they won't find anywhere else. We are also focused on making our Xfinity network stronger in order to meet our customers' current needs and future demands.

As we continue to invest in our network, products, and services, the cost of doing business rises. While we absorb some of these costs, these cost increases can affect service pricing. As a result, starting December 18, 2025, prices for certain services and fees will be increasing. Please see the enclosed Customer Notice for more information.

We know you may have questions about these changes. If I can be of any further assistance, please contact me at 517-930-5299.

Sincerely,

Brian Sapita
