We are sad to inform you that Office Administrator, Sheri Stanton, passed away September 5th. Sheri was a great asset to our office and very helpful to everyone who called the Township. She will be greatly missed.

Hoists & Docks

In 2004 Lake Township adopted a Watercraft Hoist and Dock Ordinance in an attempt to clean up abandoned boat hoists left on easements and beaches. This ordinance requires registration with the township of docks and watercraft hoists. Once registered, a tag is issued to place on the hoist or dock in a visible location. If the tag fades to the point that the numbers are no longer visible, a new tag may be obtained upon request.

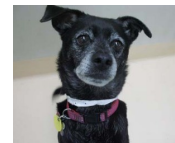

If you have a hoist or dock that is not registered, please take the necessary steps to ensure it is registered. An application is available on the Township's website or at the Township Hall. If you previously registered your dock or hoist and can no longer see the tag number, please contact the Township Hall to have a new tag issued.

If you have purchased a property in Lake Township, you may or may not know that you have acquired a hoist or dock along with the property. Letters will be mailed to new owners who purchased a property with a registered boat hoist to either update the registration or let us know if the hoist has been sold.

Dog licenses are available at the Lake Township Hall through February 28, 2022. Fees are as follows:

After February 28, 2022, licenses may be obtained at Huron County, only, for \$40.00.
