
LAKE TOWNSHIP

TO: LAKE TOWNSHIP RESIDENTS
SUBJECT: TOWNSHIP RECYCLING PROGRAM
DATE: DECEMBER 23, 2014

Lake Township residents can now recycle every week during regular transfer station hours. There will be a recycling bin on site that will allow residents to deposit their recyclables (see back side for recycle list). Recyclables do not need to be sorted **but do need to be clean and dry (remove caps to allow jars and bottles to dry out)**. It is helpful if newspapers, magazines and junk mail are bundled or bagged. All other recyclables can just be transferred from your container to the onsite recycling bin. It is also helpful if labels are removed from cans and glass.

A 22 gallon recycling container for storing and transporting your recyclables is available for purchase at a price of \$7.75. If you are interested in a container, please leave your name and phone number with Dave Ferris or call the Township Hall at 989.856.4867.

The recycling bin will not be attended but will be self-serve only, so please help make this a successful program by recycling only the items listed on the back and making sure trash and non-recyclables are not mixed in with your recyclables. Questions on this program should be directed to the Township office.

Be Green - Recycle!

About one third of household trash is made up of packaging and printed paper that is recyclable. By separating recyclables from garbage and putting them at the curb for collection, we contribute to a healthier, cleaner environment.

Recycling saves energy, conserves natural resources and reduces demand for landfill space.

Recycling also creates jobs and economic development.

No need to sort recyclables. Put them all together in your Blue Boxes.

Accepted:

No need to sort recyclables. Put them all together in your Blue Boxes.

Paper

Cardboard & Paper Bags

Flatten Cardboard and cut into pieces

Newspaper

Newspapers may be tied into bundles with string or other biodegradable materials or placed in plastic bags or other watertight containers.
